

12. A Royal Salute of 31 guns will be fired from the Palace Battery as His Royal Highness arrives at Government House.

13. A Guard of Honour of the Mysore Infantry, with Palace Band and Colours, will be drawn up at Government House.

14. The Guard of Honour will present arms directly after His Royal Highness has alighted, the band playing the "National Anthem."

15. *Dress.*—Durbar uniform will be worn by all Officers entitled to wear it. Europeans not entitled to wear uniform will appear in morning dress. Indians not entitled to wear uniform will appear in Palace dress (*viz.*, black long coat, white or grey trousers, laced turban and valli or cummerbund, as the case may be) and wear black leather boots.

No. 2862—P. P. 24-21-454, dated 26th November 1921.

It is hereby notified that the Mysore-Manantody road, between 91st and 144th mile stones and the Hunsur-Begur road, between the 12th and 22nd miles, will be closed to all timber traffic from the 1st December 1921 to 24th January 1922.

No. 3554—P. P. 24-21-704, dated 24th December 1921.

It is hereby notified that the Forest Road between Kymara and Sunkadakatte in the Kakankote State Forest, Mysore District, will remain closed for all public traffic, from the 25th December 1921 to 24th January 1922.

By Order,

K. MATIHAN,

Chief Secretary to Government.

GENERAL SECRETARIAT.

No. I. C. 3742—Ft. 118-21-2, dated 9th January 1922.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the Schedule below, a State Forest, under the provisions of the said Regulation:—

Schedule.

District	Chitaldrug
Taluk	Challakere.
Hobli	Naikanhalli.
Village	Maliurahalli
Approximate area	3980 acres, and 12 guntas.	

Situation.—It is situated amidst the villages of Mallurahalli, Chowlikere and Abbayana-halli.

North.—Starting from the north-east corner of Survey No. 31 of Abbavatahalli village, the line runs east and meets the south-west corner of Survey No. 83 of Chowlikere village. Then it runs south along the west side of Survey Nos. 82 and 77 to a distance of about two furlongs to the south-west corner of the last named survey number and turning south-east meets the south-east corner of Survey No. 76. Thence it runs north-east to the north-east corner of the same number and turns east and runs along the south side of Survey Nos. 79 and 73 meeting the south-east corner of the last named survey number. Then it runs north along east side of Survey Nos. 73, 72 and 71 to a distance of one furlong along the eastern boundary of the last named survey number and meets the south-west corner of survey No. 43. Thence it runs east slightly inclined towards the south to a distance of about 1½ furlongs and meets the south-east corner of the Survey No. 44 and then runs roughly south along the west side of Survey No. 54 till it meets the south-west corner of the above said survey number. Then turning east and meeting the south-east corner of the above said survey number at a distance of about one furlong, it runs south along the west side of Survey No. 56 till it meets the south-west corner of the same survey number. Then it runs roughly east along the south side of Survey Nos. 56 and 57 and meets the south-east corner of the last named survey number. It then runs north along the east side of Survey No. 57 till it meets the north-east corner of the above said survey number. Then it turns east along the south side of survey number 59 till it meets the south-east corner of the same survey number and turning north, it passes along the east side of Survey Nos. 59 and 51 and 49 and meets the north-east corner of the last named survey number.
